Translation

Linga Shiva Tu (Sai) (x 3)
Om, thou art that, you are Narayana, God in the form of man;
You are the embodiment of perfection and the perfect teacher.
You are the enlightened Buddha; You are Subramanya and Ganesha, the remover of obstacles;
You are the Sun-fire that destroys the darkness of ignorance.
You are Brahma, the Creator; Mazda, the Great One. You are Jehovah, and Divine Mother, the creative Energy.
You are Jesus, our Lord, Holy Father.
You are Rudra, the Transformer, and Vishnu, the Preserver; You are Rama and Krishna;
You are Rahim, all kindness, always giving and expanding; You are the Tao.
You are Vasudeva, the Sustenance of all, omnipotent and omnipresent;

You are Hari, destroyer of illusion, the blissful Spirit.

You are unparallelled and one without a second, beyond time and fearless of adversities;

You are Shiva, the atma lingam, symbol of the formless Absolute.

Translation

Speak the truth, practice non-violence of thoughts, speech, actions, do not steal, do not accumulate more than you need. Control all your senses, perform efforts on your own, do not believe in untouchability, all are equal. Do not have fear of anything, use things made in your own country, sacrifice tastes, all religions are equal. Practice these principals, bow down with respect and practice these things in your life.
